**DEVELOPED BY:**

**GLENSTAR**

Glenstar is an industry-leading, commercial real estate developer, investor, and operator. For nearly two decades, Glenstar has acquired, developed, and managed more than \$2 billion in institutional quality commercial, residential and industrial property totaling more than 10 million square feet throughout the Central, Southern and Southeastern portions of the United States. Glenstar's ground-up development capabilities cover a broad spectrum of asset classes with projects including office, multifamily, industrial, and retail. Their extensive background and industry expertise have been instrumental in identifying and delivering projects successfully on a speculative basis, along with build-to-suit developments completed for prominent, world-renowned corporations. Glenstar's vertically integrated structure provides seamless oversight of all facets of every investment throughout its respective life cycle.

Columnar, a Traylor Capital company, has its roots in Traylor Bros., Inc., a third-generation family-owned company for over 75 years. Columnar invests in high growth regions sustained by diversified economies and business-friendly regulatory environments. Their management team is local in each market, led by industry insiders with hard-earned institutional knowledge that enables superior deal flow and seamless execution. Columnar's expertise is applied to the project's lifespan and they excel in creating value by navigating complex entitlement issues, working through arduous development planning challenges, and tackling both legally and physically constrained tracts. Since its inception in 2009, Columnar has developed more than 8,400 residential units and 2 million square feet of commercial real estate in six states.
